**Please Post**

**PLEASE  
CONSIDER  
HELPING THIS  
WORTHY  
CAUSE!**

We have been working to provide leftover cafeteria food for this shelter for homeless women and children for 2 years through **Rock and Wrap it Up**, a nationally recognized program. Bethany House has grown from housing 17 women and children per night to 75 women and children per night. Rock and Wrap it Up has now requested donations of the listed items for Bethany House. There will be a large box placed in the main office for Collections.

Please ask your students to bring in whatever they can. Every little thing helps!

Since we deliver every Friday, we will continue to collect throughout the year!

Thank you for your support of this worthy cause!
