

Baldwin Senior High School PTSA Life Membership Award Nominees

Each year the PTSA recognizes the work that volunteers such as parents, teachers and community members accomplish on behalf of our children and youth. The PTSA gives out several Honorary Life Membership Awards. If the nominee has already received this award from this PTSA or another PTA, he or she is eligible for the New York State PTA Distinguished Service Award.

Please list your suggestions for nominees for the Honorary Life Membership or the Distinguished Service awards below. These awards will be presented at the BSHS PTSA and BMS Founder's Day Dinner on Tuesday, February 1, 2011.
